

Plant Performance Analysis Bibliography – Updated 6/04

BOOKS

Howat, C.S., 1997. *Section 30: Analysis of Plant Performance*, Green, D.G. and Perry, R.H., ed., Perry's Chemical Engineers' Handbook, 7th Edition, McGraw-Hill, New York

PUBLICATIONS (REFEREED)

MacDonald, R.J., and Howat, C.S., 1988. Data Reconciliation and Parameter Estimation in Plant Performance Analysis. AIChE Journal, 34(1): 1-8.

PROCEEDINGS

Lee, T.C. and Howat, C.S., 2001. Measurement Reconciliation and Interpretation in Packed Distillation column Operation. AIChE Separations Technology Topical Conference Proceedings, Reno, Nevada: 219-225.

TECHNICAL PRESENTATIONS

Howat, C.S. (presenter), 1987. Plant Performance Analysis or What's Really Going on in the Iron & Steel? Kansas City AIChE October Meeting, Overland Park, Kansas.

Howat, C.S., 1993. Design to Plant Performance: A Discussion of Failure. Department of Chemical & Petroleum Engineering Graduate Seminar, University of Kansas, Lawrence, Kansas.

Alvers, R.C., and Howat, C.S., 1995. Automatic Data Acquisition in Plant Performance Analysis: Circuit Synthesis. Mid-America AIChE Regional Conference, University of Missouri - Rolla, Rolla, Missouri

Hey, E., and Howat C.S., 1995. Plant Performance Analysis: Experimental Determination of HETP vs. Percent of Flood. Mid-America AIChE Regional Conference, University of Missouri - Rolla, Rolla, Missouri.

Howat, C.S., 1995. Inherent Bias in Plant Performance Analysis in the Chemical Process Industries. Paper 20e, AIChE Summer National Meeting, Boston, Massachusetts. (Invited Presentation)

Cicerone, D.S., Howat, C.S., 1996. Plant Performance Analysis Experiments in Distillation for Undergraduate Education. Paper 230g, AIChE Annual Meeting, Chicago, Illinois.

- Murthakrishan, V., and Howat, C.S., 1998. Multicomponent Batch Distillation Model Discrimination in Plant Performance Analysis. Paper 131j, AIChE Annual Meeting, Miami Beach, Florida.
- Howat, C.S., 1999. Plant Performance Analysis: Overcoming Plant and Design Mythologies. Presented at the October Kansas City AIChE Meeting, Kansas City, Missouri.
- Harishachandra, S., and Howat, C.S. 1999. Exposure of Undergraduate Students to Plant Performance Analysis Using Continuous Distillation Operation. Paper 149d, AIChE Annual Meeting, Dallas, Texas.
- Ross, K.M., and Howat, C.S., 2001. Modification and Operation of the Kurata Thermodynamics Laboratory Pilot-Scale Distillation Column. Paper 215b, AIChE Annual Meeting, Reno, Nevada.
- Moore, M.B., and Howat, C.S., 2001. Statistical Reconciliation of Distillation Plant Performance Measurements. Paper 215c, AIChE Annual Meeting, Reno, Nevada.
- Lee, T.C., and Howat, C.S., 2001. Measurement Reconciliation and Interpretation in Packed Distillation Column Operation. Paper 29f, AIChE Annual Meeting, Reno, Nevada.
- Moore, M.B., and Howat, C.S., 2002. Analysis of Statistical Reconciliation Methodology Applied to Distillation Plant Performance Measurements. NSBE Regional Paper Competition, Norman, Oklahoma.
- Sander, L., and Howat, C.S., 2003. Improved Process Control in Plant Performance Analysis: Experimental Verification. Paper 341w, Annual AIChE Meeting, San Francisco, CA.
